

Master Gardener Fund

Very often, we hear wonderful stories about how the Master Gardener Program and its volunteers make a big impression on individuals and communities. If you know someone who has been enriched by our program and might consider making a gift or pledge, please share this information. If you or someone you know would like to remember the Master Gardener Program in a will, the suggested language for a bequest is as follows:

I give / devise / bequeath to the University of Minnesota Foundation, University of Minnesota, Minneapolis, Minnesota, 55455 (insert sum, property, percentage of estate), which shall be used to support the Master Gardener Program in the Department of Horticultural Science, College of Agricultural, Food, and Environmental Sciences and the University of Minnesota Extension Service. I wish the full amount of this money to benefit the Master Gardener Program located in Dakota County.

Thank you for your support.

University of Minnesota College of Agricultural, Food, and Environmental Sciences MASTER GARDENER FUND

To indicate my support of the Master Gardener Program, I wish to make a contribution.
